Gentlemen:

I wish to acknowledge the safe arrival of the pictures of Dr.  
and Mrs. Lederberg.

Sincerely yours,

L. S. McClung  
Chairman

LSMc/gr

cc - Dr. Joshua Lederberg

P.S. It seems we are getting a pretty good batting average when  
you ask for a picture of a bacteriologist and get two. Of  
course, we are very happy to have the pictures that we have  
received.

I hope you can visit us in person soon and before that time  
we will have time to add your pictures to the group in the  
panels.
